**Parent/Student Agreement for Junior Players**

We want every student to have a fabulous experience as part of the Playmakers. With that in mind we ask that you read this handbook and discuss the overall commitment and behavioral policy with your child. Double check all of our dates, especially for Tech Week and performances. Your child's attendance is extremely important for their success and for the overall presentation of our production.

Please return this signed page to the **Front Office** by **January 13th** to acknowledge you and your child have discussed the expectations of the program. If you have any questions contact [playmakers@sacredheart.org](mailto:playmakers@sacredheart.org).
