

STEWARDSHIP OF TREASURE

The chart on the other side of this card provides a guideline for determining the percentage of your stewardship giving based on your household income. Each year, the Church asks us to reflect and re-evaluate our financial giving—is it a gift that is planned, proportionate, sacrificial and given with gratitude in response to God’s many blessings, with an equal amount set aside for the many other charities that come to our attention throughout the year.

Yes! I/we are responding to God’s call.
For **2018**, I/we intend to pledge and fulfill:

PER WEEK

or

PER MONTH

or

OTHER (Please indicate) _____

I/we did “Take a Step” towards my/our giving percentage goal.

GOD GIVES IT ALL - THEN CALLS US TO SHARE

MAKE A DIFFERENCE SHARE YOUR TREASURE
