

Bellevue Volunteer Food Delivery Drivers Needed

- Want to help homebound Bellevue residents who need food? Sign up to be a Volunteer Food Driver with Sound Generations.
- Contact Sound Generations at email dianas@soundgenerations.org to apply and mention this is for the Bellevue Food Delivery Project.
- If you become a volunteer driver, Sound Generations will connect you with a homebound individual or family in need of food. You will be asked to pick up a prepared food box from the Bellevue Hopelink food bank, then deliver it.
- Please follow all social distancing requirements and recommendations when providing this community service.
